

# **Access All Unemployment Services With One Login**

**New, enhanced services for employers**

## **Introducing a Fully Integrated UI Online on July 1, 2013**

UI Online will integrate all unemployment services in one system, making it more convenient for you to work with the Massachusetts Department of Unemployment Assistance (DUA).

With one login, you will be able to access new claims-related services, including:

- Respond to employee separation information requests
- View or protest benefit charges
- File a determination appeal
- Establish/manage Workshare Plan
